

Overview

You're Ready.

You're ready for more: more challenge, more fulfillment, more reward – more of what a satisfying career can offer you. You're ready to bring all that you are, all that you've achieved – your unique perspective – to whatever you decide to do: to make a difference, an impact, your mark. You're ready to embrace your potential and apply it in an environment that challenges your thinking in exciting new ways as it focuses your interests, experience, skills, and abilities towards a career you will love.

We're Ready.

Whether you're starting your career, advancing your career, or looking to make a career change, Stratford is ready to help reach your objective with career-focused programs designed to explore your potential to achieve long-term success. We're ready to meet you on your terms, understand your goals, and accommodate your busy schedule with flexible, convenient, and affordable master's, bachelor's, and associate degree programs in high-demand fields.

We're ready to put you at the center of our higher education universe with an approach honed through 40 years of mastering how individuals learn, understanding the power of critical thinking, and perfecting the application of teachable, real-world perspectives that continue to enable us to “change lives...one student at a time.” We're ready for you.

Let's Go!

Get started now with Stratford's proven plan, offering:

Options to start sooner and finish faster

Five 10-week terms per year let you start sooner and finish faster than traditional universities.

Free e-textbooks

Our e-textbooks are included with tuition.

Academic Tutoring and Advising

Available for all students to help you stay on your path to success!

Financial Assistance

Our Student Accounts Office helps you determine your eligibility for financial assistance so you make the necessary arrangements.

Career Services

The majority of our alumni are employed in their field or a related field. We offer resume writing and interview coaching to help you succeed.

Military Student Office

Our military-friendly environment and dedicated Military Student Office focus on helping active-duty service members and veterans get the most from their experience and maximize their benefits.

International Student Office

Our dedicated staff helps you before, during, and after you complete your program, offering assistance with visa applications and pre-departure travel advice; issuing eligibility and employment authorizations; and helping you transfer from other institutions.
